Switch to Cross Keys Bank

Cross Keys Bank combines the value, service and convenience you've been looking for – all to make banking easier for you.

We make switching accounts simple and hassle-free. Our Switch Kit will show you how simple it is to switch your accounts in just four simple steps.

Need more personalized assistance? Stop by our nearest branch and a universal banker will be happy to assist you.

Thank you for switching to Cross Keys Bank. We look forward to taking care of your banking needs!

To find a branch near you, visit us online at www.crosskeys.bank or call us at 318.766.3246.

Get started today!

Follow these 4 simple steps:

01 Open and start using your Cross Keys Bank account

We will partner with you to help you choose the accounts and services that best fit your needs.

02 Create your electronic transaction checklist

It only takes a few minutes to review your old account for direct deposits and automatic payments. Use the enclosed Transactions Checklist to identify all direct deposits and automatic payments.

03 Change online and recurring deposits and withdrawals

Use the Transaction Checklist to change all direct deposits and automatic payments to your new Cross Keys Bank account. Be sure to remember automatic payments from your debit card. While most direct deposit or automatic payments can be changed online or by phone, paper change forms are also included in this kit for your convenience.

04 Close your former account

After all of your checks have cleared and your direct deposits and automatic payments begin posting to your new Cross Keys Bank account, complete and send the Request to Close Account(s) form to your former bank. We will be happy to assist you with completing and sending this form. Some institutions may require additional information.

If you have additional questions, don't hesitate to call us, visit www.crosskeys.bank or talk to a Universal Banker at your nearest branch.
